WHAT IS THE NATIONAL DANCE HONORS EXPERIENCE?

Dear Guests,

Since 2003, our vision has been focused on building a safe space for creators, educators, and students to come together through the art of dance. Our approach is driven by inclusive and equitable values, with the ultimate goal of a positive experience. Through dance, we hope to impact the next generation both physically and mentally by providing an inspiring, educational, and motivational milestone on their journey of growth. One that will continue to influence them for a lifetime.

Adrenaline Dance Inc., Revive Dance Convention, and National Dance Honors, which together are the primary branches of Amplified Productions, provide an unparalleled instructional environment cultivated by our esteemed faculty, a healthy and supportive competition experience with a foundation in education, and an overall inclusive space that fosters creativity and lifelong bonds. We take our position in this industry with tremendous responsibility and are committed to inspiring dancers to discover their personal power as individuals and future citizens in a global society. We advocate for respect, equity, and inclusivity through the notion that we are richer and stronger together. This commitment is woven throughout the entire experience as many of our styles broaden the scope of that which is considered traditional.

National Dance Honors is also a celebration for the community, uniting movements, artists, and educational institutions from all over the world to explore and to grow together. We see NDH not just as a nationals, but as a festival that provides opportunities and avenues for every single person in attendance. We utilize our values driven approach to construct every offering at NDH so that every individual who moves through our space comes to embrace their own value, and understands how they can serve their own communities and achieve their personal artistic potential.

The 2024 National Dance Honors will take place in Las Vegas, Nevada (6/29-7/4) and Orlando, FL (7/9-7/14) and will conclude two monumental regional tours - Season 8 for Revive, and Season 21 for Adrenaline. We are incredibly proud of the progress that we have made over the past two decades, and we invite you join us for the next phase. We hope this gift will serve as a guide to what the experience holds. "It only takes a moment to make a moment," and we look forward to discovering those moments and making new memories with you at National Dance Honors 2024.
